RE: Information for Students who wish to participate in Athletics at EDW

All incoming NEW student athletes wishing to participate in any team tryout, practice, or conditioning must have a completed LHSAA physical and packet on file in our athletic office before being allowed to participate in any athletic events.

If you are a returning athlete, you will need an updated physical on file as well.

The LHSAA paperwork may be found on our website: www.edwhite.org under the athletics tab. Please make a copy of any paperwork for your records before tuning it in.

Paperwork may be given to the coach in charge, or a PDF copy may be emailed to Juli Dardar, athletic secretary at jdardar@htdiocese.org.
