

While we do not want to celebrate too soon, we are truly enjoying the first “normal” year in a long time. A normal year at EDW is one filled with faith, learning, leading, sacrificing, team building, and a great amount of school spirit and pride.

Thank you for choosing E. D. White Catholic for your child and trusting us to be a part of a very important time in your child's life. We recognize the importance of our role in your child's development, especially in the areas of faith formation and academic preparation.

Michelle R. Chiasson, Principal
