

iPad Specifications

What does my child need?

Every EDW student must have an iPad which will be used daily in class. The iPad must have (only) WiFi capabilities. The iPad cannot have 5G/LTE or cellular capabilities.

Which model iPad is sufficient?

The iPad needs to be either an:

- iPad Pro 12.9 inch 6th generation
- iPad Pro 11 inch 4th generation
- iPad 10th generation
- iPad Air 5th generation
- iPad Mini 6th generation

How much storage does the iPad need?

At least 64 GB of storage is required, but larger storage is highly recommended.

Is the iPad mini ok?

Yes, but remember the device will act as notebook and textbook. The student may want more working space than the mini offers.

What else does my child need with the iPad?

Earbuds are required. AirPods are allowed. No bulky headphones. Wireless keyboard with bluetooth capabilities and an Apple Pencil are recommended. Cases are strongly encouraged.

What's next?

Each student must attend an iPad training. More information regarding the training will be made available in the spring.
