

# **The Mothers Club**

## **OF E. D. WHITE CATHOLIC HIGH SCHOOL**

The Mothers Club of E. D. White Catholic High School would like to welcome all new parents to our E.D. White community. The main purpose of the Mothers Club is to enhance the educational, physical, and spiritual needs of all E.D White students while simultaneously serving our community.

General membership to Mothers Club is open to all E.D. White moms. It is as easy as paying dues that are collected during registration for the next school year. All dues collected during registration go directly to the students through our many student life activities. We hope you consider joining so you will be informed about Mothers Club activities, events, and volunteer sign-up opportunities.

The Mothers Club also raises funds through our Gym Dandy Thrift Store. All proceeds go back to E.D. White directly. We have granted nearly \$2 million to our school. Over the years our club has funded tuition assistance, chapel and school renovations, science and computer labs, school buses, annual academic letter jackets, continuing education and grants for teachers, fun activities for the students throughout the year, and so much more.

Our Gym Dandy Thrift Store is located at 811 Jackson Street. We are open to the public for shopping every Tuesday and the first and third Saturday of the month from 9:00 a.m.-12:00 p.m. Please think of us when emptying those closets! Donations sold in the store such as clothing (including uniforms), houseware items, toys, shoes, books, accessories, and seasonal décor are accepted when open and on Thursday mornings. Gym Dandy is fully staffed by volunteers and managed by E. D. White Mothers Club board members, but all members are welcome to volunteer.

The Mothers Club also hosts weekly Eucharistic Adoration in the school chapel, which the students participate in throughout the day. We invite all parents to participate in this spiritual experience.

We look forward to getting to know all our new members next school year! We welcome you to follow us on Facebook to stay informed of club activities, which can be accessed by the QR code below.
