Dear EDW Students and Parents,

We hope this letter finds you well. As we prepare for the upcoming summer with next school year in mind, we are excited to share with you our summer reading program for students. Grade levels 9-12 have been assigned a genre and students are encouraged to choose any on-level book within that genre. If a student is unsure of whether or not a book falls within his/her grade level, that student is encouraged to ask his/her teacher or google the lexile level of the book. (Books with lexile levels of 960 or higher are encouraged for on-level classes.)

The assigned genres are as follows: *grade levels listed are for 2024-2025

- There is no summer reading requirement for 8th graders
- 9th grade: Mystery
- 10th grade: Dystopian/Science Fiction
- 11th grade: Nonfiction
- 12th grade: Classics

We believe this program will not only help students maintain and improve their reading skills, but also help to foster a love of reading. We encourage parents to help their students select appropriate books (and teachers may offer suggestions as well).

Use this link to submit information regarding the required summer reading. <https://forms.gle/ugFxt2Fg2hcUkWQGA>

Thank you for your continued support of our school and our students.

Sincerely,
