

# EDW Colorguard 2025-2026

## WHAT IS COLORGUARD?

Colorguard is a performing arts group that enhances the visual effect and music of marching band by dancing and spinning equipment. Colorguards perform at football halftime shows, parades, and marching competitions.

## WHAT IF I HAVE NO FORMER TRAINING?

There is no former dance or colorguard training required to join colorguard, but it definitely helps! You are not expected to know how to spin prior to clinics. You will learn everything you need to know for tryouts at clinics! We will also provide you with a practice flag so you can practice your skills at home! You do not have to be in band to be in colorguard.

## WHAT SHOULD I EXPECT FROM CLINICS?

At clinics, you will be taught the fundamentals of colorguard. You will learn performance, dance and equipment skills. You will receive instruction with an emphasis on flag skills and basic dance techniques. A positive attitude and confidence is essential for EDW colorguard. If you aren't sure if this sport is right for you, remain positive and open minded leading up to auditions!

Make sure you come to clinics prepared! Bring an open mind, a water bottle, and eat a good snack before you arrive!
